

# Epiphany|Blue®

Bringing Your Vision To Life®

**INNOVATIVE. PROFESSIONAL. RESOURCEFUL. CREATIVE. EXPERT**

These are just a few words clients have used to describe our team. Since 2006, Epiphany Blue has been committed to bringing our clients' visions to life. We specialize in delivering engaging and empowering personal development workshops and trainings to individuals and corporate clientele, as well as, out-of-the-box event conceptualization, planning, and execution. Our diverse list of clientele includes corporations, government agencies, entertainment firms, schools, organizations, and foundations. If you envision it...we will bring it to life!

## EVENT PLANNING

PROVIDING AN EVENT EXPERIENCE TO BE REMEMBERED!

With over 20 years of experience and a vast network of vendors and resources, our skilled event specialists possess a keen expertise in handling the creative, technical and logistical elements of an event, from conceptualization to execution. Epiphany Blue is committed to meeting our clients' definitions of success while providing an event experience to be remembered.

Epiphany Blue specializes in producing events for corporate, social, educational and non-profit clients. We provide the following services:

- Event Planning/Management
- Event Design & Production
- Experiential Marketing

## PERSONAL & PROFESSIONAL DEVELOPMENT

BRINGING YOUR VISIONS FOR SUCCESS...TO LIFE!

Our Personal Development Team of Motivators provides clients with workshop, training, and retreat programs for their staff and constituents. The programs are designed to improve personal image, grow talent and potential, build human capital and employability, enhance quality of life, and develop the participants' vision of personal and professional growth and success and bring that vision to life. Our workshops and training themes include:

- Vision-building
- Personal/Professional Goal-setting
- Personal and Professional Brand/Image Development
- Effective Communication
- Employability/Work Readiness Skills
- Work and Learning Styles
- Reigniting Your Career Passion
- Rhythm & Flow Yoga, Meditation, and Mindfulness Practice
- Personal Care, Stress Management, Nutrition, and Wellness
- Five Love Languages (the ways you express and want to receive love)
- Self-Motivation and Living Your Best Life
- Financial Wellness
- Youth Development Best Practices (provided to educators)

## TEEN BLUE

ENGAGE, INSPIRE, EMPOWER!

Teen Blue is our youth and young adult division. Our Youth Specialists are dedicated to producing engaging events and personal development programs focused on personal and professional development and post-secondary and career readiness. Teen Blue's services specifically target middle, high school, and college students. Our agency specializes in producing a variety of youth-focused events and development programs and working with charities and organizations to develop new or enrich current youth programming.
