

We make companies unforgettable to their audience!

Epiphany Blue is an experiential services and events agency. We plan and execute virtual, hybrid, and in-person event experiences and activations for organizations and communities worldwide.

Since 2006, Epiphany Blue has inspired humanity through meaningful experiences while providing clients with diverse and extensive expertise and unparalleled commitment to excellent service. We are recognized as an energizing and transformative agency committed to integrity, adaptability, innovation, impact, and excellence.

We take pride in entertaining, educating, and empowering audiences while bringing our client's vision to life!

Events Produced:

Corporate Events
Employee Engagement & Wellness Events
Youth & Community Events

Services:

Event Consultation:

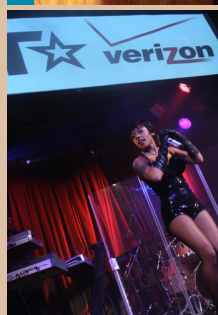

We help our clients conceptualize and strategize their event to ensure it accomplishes their objectives and goals.

Event Planning & Management:

Our team is meticulous and innovative in planning every detail.

Event Design & Production:

We blend our spark with your mission so that every event detail translates into a memorable experience for your audience.

Our diverse clientele includes corporations, small businesses, government agencies, educational institutions, social and professional organizations, and non-profits.
