People Positively Impacted

We are an impact-driven event planning and production agency that curates immersive experiences for corporate, nonprofit, and government clients nationwide. With innovative planning and world-class execution, our expert team helps you build meaningful connections, engage your audience, and leave a lasting impression. With Epiphany Blue, you can count on calm in the chaos, clarity in the planning, and confidence in the execution. Let us transform your vision into an unforgettable experience!

Key Differentiators

Strategic Partnership

We align every experience with your goals, culture, and audience to deliver measurable results—not just beautiful moments.

Inclusive by Design

As a certified M/WBE, we bring diverse perspectives to create culturally aware, welcoming experiences.

Flawless Execution with a Relationship-First Approach

Our team is known for being proactive, detail-oriented, and calm under pressure. Clients describe us as dependable, intuitive, and deeply invested.

Tamekia Flowers-Ball is the Founder and CEO of Epiphany Blue, where she leads with vision, strategy, and a passion for creating purposeful, high-impact experiences. With over two decades of expertise in event planning and brand engagement, she guides a team dedicated to delivering innovative, mission-driven events for clients nationwide.

OUR SERVICES

We provide expertly planned in-person, virtual, and hybrid events that elevate your brand and engage your audience. Imagine an event so immersive and dynamic that your audience walks away inspired and transformed.

That's the Epiphany Blue difference!

COMMON EVENT PLANNING PAIN POINTS

- Budget constraints and rising costs
- Venue sourcing, negotiation, and availability issues
- Workload and internal staff capacity
- Registration, check-in, and attendance uncertainty
- Decision delays and alignment of key parties
- Technology and data; tech integration gaps

Event Consultation Services

Ideal for companies with small in-house event teams or requiring à la carte support.

Whether you need help with event ideation, logistical planning, full-scale event strategy, or on-site event management, our expert team provides customized event consulting to ensure efficiency, flawless execution, and meaningful results that align with your goals. Highlighted here are some of our most requested services. We can also tailor solutions for any other part of your event planning process.

What You Can Outsource to Epiphany Blue:

- Venue sourcing and negotiation
- Budget architecture and cost control
- Registration and guest hospitality
- Speaker and talent coordination
- Event design and décor
- AV and technical production
- Run-of-show and onsite event management
- Attendee experience design

Full-Service Event Planning & Production

Ideal for organizations seeking a turnkey partner to plan and execute their events from start to finish.

From concept development to post-event evaluation, Epiphany Blue delivers a seamless, end-to-end planning experience. We oversee every detail, combining strategic insight with flawless production to create events that inspire, engage, and achieve measurable results. Our services extend beyond this list. We take care of every detail, allowing you to relax and be a guest at your own event.

What Epiphany Blue Provides:

- Event concept and strategy development
- Venue research, sourcing, and contract negotiation
- Budget development, forecasting, and management
- Creative design, décor, and branding integration
- Registration and guest hospitality
- Speaker, entertainment, and talent coordination
- AV production and stage management.
- Post-event evaluation and ROI measurement
